"Civil Protection and Challenges – FIRE-IN national Hub – Greece – The Greek Agenda"

The workshop is addressed to practitioners, local and regional authorities, civil protection agencies, research and academic organizations, industry and standardization bodies. The workshop is moderated by the Center for Security Studies, partner of the FIRE-IN project.

The agenda of the workshop consists of a brief presentation of the project results, presentation of recent natural disasters events and a discussion on current and future capabilities on incident command organization, community involvement and risk reduction. These capabilities will be discussed from the point of view of:

- Disaster management challenges in Greece
- Solutions related to these challenges
- Priorities recognized.

The overall goal of the workshop is to create and deliver a "Hellenic Agenda" to the European Commission for future research programming, harmonized with the needs of other EU countries. Workshop agenda:

09:00 - 09:15: Greetings

09:15 - 10:00:

- Opening presentation: FIRE-IN National Hub Greece The Hellenic Agenda (Vagia Pelekanou and Georgios Sakkas, KEMEA)
- Recent experience from Greece: Lessons learned from the megafire of Northern Evia in the summer 2021 (George Eftychidis, Satways Itd)
- Recent experience from Cyprus: Arakapas Wildfire Incident Lesson to be Learned (Nikolaos Kamakiotis, Associated FIRE-IN expert)

10:00-11:00: Open discussion

The workshop is moderated by the Center for Security Studies (KEMEA) Research associates: **Georgios Sakkas, Vassiliki Varela** and **Vagia Pelekanou**.

11:00 - 11:30

Invited Talk | Chair: Gerasimos Papadopoulos

Hall A Hall B

Seminar: Seismic Protection of School Units

Organized by Earthquake Planning and Protection Organization of Greece in collaboration with Region of Central Macedonia and Central Macedonia Regional Education Directorate of the Hellenic Ministry of Education and Religious Affairs.

The seminar is addressing to the Principals of School Units of the Metropolitan Unity of Thessaloniki, and aims to train them in issues related to seismic risk, the relevant institutional framework and prevention and preparedness actions in the school environment.

The Seminar will also be broadcast online, covering teachers whose physical presence is impossible.

SEMINAR AGENDA

12:00-12:10 | Arrival **12:10-12:40** | Greetings

- **Dr. Stergiadis Charalambos**, Forester, Head of the Autonomous Civil Protection Directorate of the Region of Central Macedonia
- Akritidis Nikolaos, member of the Coordination Group of the Crisis Prevention and Management Observatory of the Regional
